

# Sunpak 72-in-1 Card Reader Instructions

## System Requirements

1. USB port
2. Windows 2000, XP, Vista, 7 and later
3. Mac OS X v10.2 and later

## Specifications

USB 2.0 high speed interface with up to 480Mbps and compatible with USB 1.1 standard interface.

## Card Reader Use (not including SIM)

1. Plug the built-in USB cable into a free USB port on your computer (do not use USB ports on your key board or peripherals). When the card reader is properly connected to the USB port, the red status light will illuminate indicating proper connection.
3. Install a CF, SD, SDHC, MMC, Mini SD, M2, MS, MS Pro Duo, xD, SIM or Micro SD memory card in the matching card slot. Once a card is installed, the blue status light will illuminate. For a complete list of readable memory cards, please go to [sunpak.com](http://sunpak.com).
4. Do not remove the memory card or unplug the USB cord when data is being transferred. The blue status light will blink while data is being transferred to and from the card. Once the light is steady, then data transfer has been completed and you may remove your card.
5. Multiple cards may be plugged in at one time, allowing you to transfer data between different cards.

## SIM Card Reader Use

Download the free SIM editing software at <http://www.sunpak.com/sim.html> along with complete instructions on installation, use and operation.

# Sunpak 72-in-1 Card Reader One Year Limited Warranty

This Sunpak product has been carefully manufactured, accurately adjusted, inspected and thoroughly tested before shipment to assure you of the highest quality. Should this Sunpak product require service, we will repair or replace, at our option, any part, or the product itself, which our examination shows to be defective in material or workmanship. *This warranty does not apply to wear and tear associated with the normal use of the product.* This warranty is non-transferable.

Repairs will be made to the product at no charge, under the terms of the warranty as stated above, only when accompanied by a copy of your dated and itemized sales receipt. Be certain to follow all assembly and/or operating instruction with this product.

This warranty is not valid if the product has been misused or damaged in any way that is beyond our control or through normal wear and tear associated with its use. This warranty only applies to the product and we are not responsible in any way for losses, damages or any inconvenience caused by equipment failure. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights which may vary from state to state.

Should service be required, carefully pack and send pre-paid and insured along with a check or money order for \$3.95 for shipping and handling to the address below. Description of the defect should be enclosed to expedite handling.
